“ My heart is warm and tingly as I reflect on the many conversations we held while standing in the driveway, on the corner or as we leisurely walked the kids around the neighborhood on warm evenings. Our talks were uplifting because Gwen's sense of humor would not allow a person to be too burdened. Her love for her kids flowed to neighboring children. She truly lived the concept of "...it takes a village." She was a blessing! Yolanda and Demetrius, please keep your mom's smile and spirit with you and you will always feel her near. I pray for God's peace and comfort for you all during this time.

Gwen was one of a few moms in the neighborhood who looked after all the kids and had no trouble chastising when needed. No slack on her part. She was always easy to talk to and genuinely cared about those of us in the community. She will be edeeply missed. My condolences to Gwen's beloved family.

“ *To the Gwendolyn Edmondson,  
My sympathy and condolences to her children, grandchildren and other relatives, I did not know Mrs. Edmondson personally, I knew her through her neighbor. She was held in high esteem as a neighbor and community caretaker. To the family, I say, be strong for God does not make mistakes. Love and take care of each other.*
