

## Gwendolyn Jackson

April 23, 1940 - June 7, 2020

Gwendolyn Darlene Jackson, age 80, passed away June 7, 2020 in Atlanta, Georgia. Memories By Olympia Benjamin:

They say memories are golden Well maybe that is true,  
But we never wanted memories We only wanted you.

That golden heart has stopped beating hard working hands at rest  
broke our hearts to see you go

But GOD, GOD only takes the best

Your life was love and labour Your love for your family true You did your  
best for all of us We will always remember you.

That strong but beautiful personality Your fun and loud spirit  
Made life with you a great reality Wish we could still be near it.

Heaven has received another angel, the night sky, another star

Your life has become a loving memory I know you will never be far.

It's been said that the best dads get promoted to grandpas.

Grandfathers are good listeners, good storytellers, and good friends.

They are always there to laugh, play and console their family and friends

One thing is for sure, the love you

showed was unique, selfless, authentic and well never be forgotten.

“ To the Jackson Family:  
I Millinese Benson Fortson have so many fond memories of Darlene. Our friendship went back many, many years ago. She was smart, funny, and with that Texas accent you could here her a mile away with that "Honey". I love her and she was the best co-worker and friend a person could ask for. Out of 15 years we never butted heads. Two "taurus the bull's" together was amazing.  
Our prayers and condolences are with the family. She adored her daughter, son, sister and those beautiful granddaughters. Rest in Peace my friend!!
