“ Gwen was such a sweet lady. Every time I saw her she would have the biggest smile on her face and her eyes will always light up. We would always ask about each others family and stand around and shoot the breeze. The conversation would be so funny because we both talked very fast. Rest I peace my friend.....you will be greatly missed

“ Gwen was a sweet lady. We were coworkers at Clifton Springs. One day she called me to her station. When I got there she said there was a lady who couldn't get to the center for her WIC. That the baby was special needs and could I go make a home visit to get the paperwork done. Strange request, but I could tell there was more to the story. The lady was a dwarf. Gwen was afraid of dwarfs. I could hear the distress in her words. I did the visit and brought her the paperwork as asked. She said she owed me. She never stopped trying to pay that debt even when I told her there was no debt to be paid. That was who she was. True to her word. Always appreciative for life and her co-workers. I loved talking to her. We formed a silent bond. I will miss her smile, her laugh, and her beautiful ways. Rest in heaven Gwen. Hope to see you there one day.

“ My heart is heavy right now. Ms. Gwen was always smiling, and she was so Caring, Kind, and Sweet. She is family to me. Ms. Gwen took good care of my niece and my nephew, and her other grandkids. When I would see her she would tell me how sweet I am and I would tell her how sweet she was. Ms. Gwen will be missed dearly, but she will always be in our hearts. To her sons. The Pain You Feel Today Will Be The Strength You Have Tomorrow. Ms. Gwen is still here with us, not in our presence, but she is here with us in spirit. She lives on in each of you. Be Strong God Got You. He will give you strength to get through this hard time. I am here for you if you need someone to talk to or anything . Just reach out to me. God Bless . 🙏 Sincerely, Sonia Jackson

“Gwen was like a part of our family, she was a friend, co-worker and my father’s play daughter. Gwen used to have my side aching at work sometimes she was so funny. I remember our boys going to the same babysitter when they were small and the babysitter would always cook a huge breakfast for the kids. Gwen would always try to get Ms. Henderson to give her a salmon biscuit and she never would but we all know Gwen’s persistence was relentless but so was the babysitter’s. It was funny watching her try every morning though! Anyone who met Gwen was hard pressed not to love her because she didn’t meet any strangers. Gwen called my dad “Pa”, well you’re in heaven making Pa laugh now Gwen. We love you. God will give Ant and the boys the strength to carry on. Rest In Peace my friend.
