“ Gone too soon! Gwen had such a big heart and a warm spirit. She was a good friend, one of the best people I have met since moving from the UK to live in the U.S. I will miss her dearly.

The only thing that gives me great comfort right now is I know she knows and loves the Lord with all her heart and soul. I will always cherish our heartfelt conversations. Rest in Peace Gwen.

My sincere condolences to the family!

“ I will always remember Gwens sweet smile and her soft voice. I can not ever remember her having a unkind word to say to anyone. Over the years we were not as close as we were when we were younger but when I would see or talk to her it was as if no time had past. God Bless

“ My condolences to the family that Gwen loved so much.

Gwen had many friends and I am so glad to be one of them. She was such a nice and friendly person. I will miss coming to home and not just looking or buying jewelry but to talk and laugh. She will be truly missed.

Her friend, always,

My condolences and deepest sympathy for the Rivers family. Gwen and met when I started work at the US Postal Service in 1986. We were friends from then on. She was more like a sister. We hold fond memories of times we had lunch together, attending family functions on her side or mine, birthday parties and weddings. My heart aches, but I will cherish all the above mentioned memories forever. Heaven has welcomed another "Angel".

My condolences to Antonio and the family. Gwen and I met at the Postal service. She was one of the few people I could always count on. We became good friends, talked often. Your mother blessed so many people with her faith and kindness. Praying that you'll find comfort in your memories of her and in the knowledge that others are missing her too, I will cherish the time and memories we had forever. Heaven has gained another Angel.
