

## Haaris Baysassie

October 7, 2001 - July 17, 2023

Haaris Baysassis's life journey was marked by exceptional achievements and a heart full of compassion and kindness. Born on October 7, 2001, to his loving parents, Syed Hussien and Zuriashwork Baysassis, in the vibrant city of Atlanta, Georgia, Haaris was destined for greatness. As the first of three children, he took on the role of a caring older sibling, always looking out for his brother and sister.

Haaris's educational journey began at Minor Elementary School, located in Gwinnet County School District. Even from his early years, it was evident that he possessed a passion for both baseball and learning. This combination of interests fueled his determination and led him to excel in both academics and sports.

After completing his elementary education, Haaris moved on to Killan Hill Christian School for his middle school years. There, he continued to shine, not only academically

but also on the baseball field. Haaris's dedication to the sport earned him a reputation among his peers as a talented player and a true team player.

By receiving his diploma, Haaris completed his high school education with flying colors.

Throughout his academic journey, he accumulated numerous honorary awards, recognition, and accolades. Among his proudest moments were winning the Triple Crown Sports Tournament Championship, MPAA Spring 2017 Tournament Champs, and Spring 2021 Multi-county Seniors-colt MPAA Parkview Blue.

Yet, despite his incredible success, Haaris remained remarkably humble and lovable.

He maintained strong bonds with his family and friends, cherishing the connections he had with them. His popularity stemmed not only from his achievements but also from his genuine and caring nature.

Haaris's compassion knew no bounds, and he possessed an innate empathy for others.

He was quick to lend a helping hand to anyone in need, always prioritizing the well-being of others over his own needs. His acts of kindness left a lasting impact on the lives of those around him, earning him the admiration and respect of his community.

Apart from his academic and athletic pursuits, Haaris had a deep thirst for

knowledge.

He enjoyed learning about various subjects and was always eager to broaden his horizons. This intellectual curiosity complemented his passion for baseball, making him a well-rounded individual with a promising future ahead.

As Haaris continued to grow, he remained true to his values and continued to inspire those around him. His life was a testament to the power of dedication, kindness, and genuine care for others. Haaris has experienced both triumphs and challenges while dedicating himself to helping others. In scenarios we all remember, his selflessness led him to save the lives of three individuals in critical condition, showcasing his unwavering commitment to making a difference. However, in his relentless pursuit of going the extra mile to aid others, always neglecting his own well-being, unintentionally causing harm to himself. Haaris's journey is a testament to the profound impact one can have through acts of kindness, but it also serves as a reminder of the importance of balancing compassion with self-care. Although he achieved great success in his short life, his legacy extended far beyond trophies and medals.

Haaris Baysassis will always be remembered for his unwavering spirit,

compassionate heart,  
and the positive influence he had on everyone fortunate enough to know him.

“ *Haaris was always a light every day when he attended classes at our school in Stone Mountain. He would always stop to say hello or good morning to the staff and then continue forward to his classes. He had a special heart for younger children and it would shine when he was asked to participate in the elementary activities of reading a book to the class or help the younger ones with school work. He was a special joy to know and everyone that met him always commented on what a nice young man he was, how caring, respectful and overall Happy Person.*

*I am so sorry for your loss. My heart bleads with your family as I know what this young man meant to you all. May you know that I am lifting your family in prayer that God will comfort you and know that others care.*

*Love always, Nancy Gordeuk, Choice Educational Academy*
