“ I attended basic training with Harlan in 1987. I remember him as a nice and very caring person. I watched his career take him from place to place. I was sad to read about his passing. “Blessed are those who mourn, for they shall be comforted.” Matthew 5:4

“ Dear Carter family/friends, I was so shocked and sorry to learn of Harlan’s passing. My sincere condolences to you all. I had the pleasure of working for/with Harlan in DC at our HQ. He was a wonderful person inside and out and will be deeply missed. He also had a great sense of humor. He’d nicknamed me “Fire Chief” because he said I always put out his fires (LOL). I pray that God provides you all with strength and comfort during this difficult time and all the days ahead.
