“ I was so deeply saddened when I got the phone call about Marc's passing that I felt the earth shake. All the memories that we shared from family visits and just mostly Marc and I playing video games are what I hold on to and cherish the most. Brother you are loved very much and will truly be missed. My prayers will continue to be with your wife and family, Uncle Harold, Turk and Lorae.

“ Mark and I played football (soccer) together at Wade Walker park for many years. He loved the game of footbal and was a very talented defender. His demeanor was always the same and never once acted out of character no matter how competitive the game is. He was always respectful to those around and I admired that about him. I am saddened by his passing and grateful to have known him. To all his family and friends, please accept my sincere condolences. May the peace that you need be granted by the almighty at this time. The Wade Walker football crew grieves with you all as well. Stay strong, Roy X.
