“ Dear Davis Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “ There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ I remember when my children would do something dad didn't like and he would look over his glasses with a stern look raise his hand in certain way and meant buisness and would say " hey hey buddy i think you need to go somewhereand sit down I. And they knew not to question it. 😞😞😞😞 dad i would do anything to see ya face again my heart is so heavy i can't get it together. Me and the grands has been playing all the blues you would love to here and all of them mimicking the dances you used to do. I'm also gonna miss the big barbecues you used give no 1 can work a grill or cook like you. I remember all the phone calls i do whenever cooking anything I'm cooking that didn't turn out right lol 😞😞😞😞. And would ask what I'm cooking tell what spices to uses and how to prepare and just like a crossing gaurd he would steer me in the right direction and would come out fine 💋💋
