“*Mrs. Woodard was such an amazing teacher. She made it seem so effortless. As heartbroken as I am by her passing, I'm so happy I got to tell her how much I appreciated her a couple years ago. She was being the Mrs. Woodard we all knew and loved, supporting and celebrating us teacher support specialists who just completed the program. May she rest in peace, and her family has my sincere condolences* ❤️

“ *Dear Family,*

My beautiful, loving cousin was so kind to me in days gone by, including allowing me to use a gown for a special event. Her beauty is deep, not just on the outside. Marie, may you rest in eternal peace.💕

“ *Marie shared words of wisdom in the most hilarious ways but with loads of love. I prayed this would be a different outcome, but I know that the Father knows what's best for each of us left to cherish her memories.*

*I'm praying for peace and strength to Lonzell, her children, grandchildren, and siblings as they navigate forward.
I love you all!*

“ My fondest memories of Mrs. Woodard all took place at Stephenson Middle where we were both employed. She would come to my classroom and start the tune to a song and ask me to join in. We would sing and she would shout at the end, and say “Now, I can get some work done!” Either she waited for me to leave each day, or I waited for her, but we were not leaving until we were ready to walk out together. Not only were we co-workers, but we were also Sisters in Christ, and Bishop Harper was our Bishop. I will miss singing with her on the state choir . She will always hold a special place in my heart. Such a joy and a jewel! I will see you on the other side, my sister. With all my love, Mrs. Todd

I remember Mrs Woodard as a warm, kind and supportive lady . I can never forget those staff potlucks where as a vegan, I would often attempt to opt out of participation as my eating choices garnered too much attention. Mrs. Woodard would always quietly prepare small vegan dishes to include me. She was a wonderful cook. She had a generosity of heart that facilitated my approaching her to help me with math concepts and strategies for teaching my 6-8 grade students with special needs. She loved sharing her professional knowledge. As a person and as an educator, she has made a positive impact on my life. I wish to extend my profound condolences to her family and friends. Her life was well lived and she has made a tremendous contribution to our world. I will always remember Mrs Woodard.

“ My condolences to the Lee/Woodard family. We all have that one or two teachers that provides inspiration and encouragement to students. Mrs. Woodard was one of those teachers for me at St. James Elementary School, she made learning math enjoyable while also instilling confidence in her students. She was my (s)hero and I will forever be grateful that she was part of my village. Sleep easy..
