“ *May God comfort Ms. Reedy family during this time of great loss. There is a sense of helplessness when someone we love dies. Many wonder how one gets through this time. Take time to reflect on the good times you shared with your love ones. Prayer is extremely valuable at this time. Thoughts of peace.*

One of God's special angels who dwelt among us doing so many good deeds. I had the pleasure of meeting Harriett during our tenure at the Fort Valley State Colleg many years ago. We became friends, upon graduation we soon lost contact with each other. However the goodness and grace of God allowed us to reunite almost four years ago. Since that time we have shared numerous phone conversation, visitations, dinners, church with her and just hanging out. This special person was so loved by many. Prayers for Nikki as she was called and the rest of the family. May you find peace knowing that God's love surpasses all understanding. Take your rest my friend, my sister in Christ and classmate.....Lena Johnson-Cooper
