“ Our heart goes out to Jan and her family during this time of loss. Steve has been our neighbor for almost 20 years and we could not ask for a better person, friend, and neighbor. It is sad to us losing this generation as they have been the backbone to this troubled country for many years. Steve will be missed.

“ The things I remember most about Steve Dean (K4KDB) is his warm personality, kindness, and enduring friendship. Steve was a treasured member and supporter of our Amateur Radio fraternity, “The Outhouse Net”, meeting each morning for over five decades. Our annual meetings in Valdosta, GA were always a tremendous success because of Steve’s dedication to our group. Steve will be sorely missed by his radio buddies and those who were lucky enough to have known him.

*Gods speed my friend*
