“ *As a member of the GCHS Class of 1977, I offer my prayers to the family of Harry Holmes today as well as the weeks and months ahead. Perhaps it will help to lessen the sorrow to realize that many of his friends share your grief. Please know that God our Eternal Father has promised never to leave nor forsake us. We know that He has always kept His promises. With Sympathy*

“ WOW! I just found out this Friday morning of Harry's passing. My prayers and thoughts go out to all of his family. May God's sufficient grace be your strength and peace during this challenging time. I remember when I ran into him at the 1996 Olympic Games in Atlanta. Neither one of us knew that the other lived in the metro Atlanta area. There we were, two grown kids from Greene County.

“ I've known and remembered Harry and Family since we were kids, growing up in Newark, NJ. Our families visited each other, attended church together (St. Mark) and we sang in the Youth choir together. I especially recall the times I spent the weekend with them! He and Greg would make me sleep in the middle and Harry would tell me to "Be Still" all night long! Once I learned that we both lived here in Georgia, we connected and stayed in touch. Our love and condolences to his families. Gonna miss you Brother

“*Sorry to hear of the loss of Glenn. His families (the Edwards and Holmes) and the Monroes lived in a little rural neighborhood in Greene county called Castoria. We all worked together on the area farms. After we got grown we went in different directions but we never forgot one another. His dad and I carpoled to C&A while we worked 2nd shift and his mom attended our Bible study at the senior citizens facility here in Snow Hill. Prayers are for the family and Greg, Sherida, and John.*”

“ *Harry was a very dear friend, neighbor and classmate. He was "the clown" of our class 1977. His laughter and presence lit up the room. Memories will forever linger in my heart. I can't forget he was a beast on the football field!!!*
