“ Dear Weeks Family: Please accept my sincere condolences for your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again by means of the resurrection. May you have peace as you think about this beautiful hope for the future.

“ *We are thinking of the Weeks family with deep sympathy. In just a little while all of the pain and sorrow that we feel from the death of our love one will cease and be replaced with joy, because the former things have passed away. Thoughts of peace.*
