

Hayden Stefano Williams

March 18, 1962 - June 5, 2025

Hayden Stefano Williams was born on March 18, 1962, to the loving parents of John Leopold Williams and Florette Theodora Williams (née Kerr) in Chaguanas, Trinidad and Tobago.

At eight years old, Hayden immigrated with his family to Brooklyn, New York. After graduating from Erasmus High School in Brooklyn, he worked various jobs. In 1990, he moved to Atlanta, Georgia.

Following in the footsteps of his father, Hayden became an electrical technician and began working at LMI Systems before moving on to MARTA, where he worked for 15 years.

Hayden was a kind and generous person, and he never missed an opportunity to assist someone in need. He enjoyed traveling, going to the movies, playing basketball, watching football, cycling, and playing tennis. His favorite and most passionate hobby was roller skating. Hayden's love of skating led him to

travel to numerous cities; however, Skatetowne was his home base. He shared his love of skating by teaching others over the years.

Hayden was preceded in death by his sister Hazel Williams. He is survived by his son Jamil Williams; siblings: Carlene Solano, Jennelle Williams, Lester Williams; Hollis Williams and Alston Cowie; sister-in-law: Sharon Williams; nieces: Erica Solano, LaVaughn and Laurel Manswell; nephews: Brian Simmonds and Bevon Manswell; nephew-in-law: Seth Titley; cousins: Deborah, Annemarie, Patricia, Wayne, Michelle, Carl, Florence, Sheridan, Earlene, Hazel, Denise, Joyce, Adolph and a host of friends.

Hayden passed away peacefully on June 5, 2025, surrounded by family. Thank you, Lord, for giving us the opportunity to share Hayden's life for 63 years. He will be missed dearly by all of his family and friends. May his soul rest in peace.

“ Hayden came into my life when I was just 9 years old. He was a close friend of my godfather, Don Butcher, and my mom, Marsha Joseph. After losing my father at a young age, Hayden naturally stepped into a role that brought guidance and stability.

He taught me how to ride a bike, how to drive, and even how to roller skate. My first pair of quad skates were his, I still have them. He was there for me through every phase of life—quietly supportive, always dependable. I'll never forget when he came by to check the electrical in my first home, just to make sure I was safe and taken care of.

Hayden's laughter, his big smile, and the way he showed up for people will stay with me forever. It's going to take a long time to stop looking for him at the skating rink—that was his place. His presence will be deeply missed, but his impact on my life will never fade.

Rest easy, Hayden. Thank you for everything. We will always love you. - Chanelle Smith

“ Hayden taught me to roller skate around 1997-1998 at Golden Glide in Decatur, GA. He was patient, kind and attentive. He was always encouraging me to learn the basics before moving to the more advanced techniques. I will miss our weekly catch-up conversations at Sparkles. He was a good listener with an awesome memory. Rest in peace, Hayden. 💜🤔❤️

I've known Hayden for over 42 years. He was always one of the first I touched base with once he moved to Atlanta, along with Marty, Mark, Everett, and Dexe.

Hayden was my friend, a confidante who provided wise council and a safe space of understanding, PATIENCE, and kindness in a non judgmental way. Hayden made time to LISTEN in a way that made you feel HEARD. Hayden was CONSISTENT, and SOLID. Hayden had character and integrity. My Good Brother. Everyone is unique and important in their own way, but a man like Hayden is IRREPLACEABLE! Hayden was quietly powerful in a simple easygoing way. To simply say he'll be missed is wildly insufficient. Hayden was widely respected, well liked, and deeply appreciated. Hayden was loved, by myself and many others. Rest well Mr. Williams!!
