“ *We've known the Anders family for over over 34 years. We were stationed at Fort Bragg, NC from 1988-1992. We were a part of the New Bethel Family, and although that was a long time ago, we're still a part of the Bethel Christian Assembly Family. We met her beautiful Mother, sisters, nieces and nephews, etc. When we had the opportunity to meet Sis. Hazel Lucas, she was very friendly and kind. She always greeted us with a smile. I always looked forward to seeing Sister Hazel Lucas at the PAW National Convention when we were a part of the organization. She ushered with dignity and grace. She will be thoroughly missed. Family please know we're so sorry for your loss, and you're in our thoughts and prayers. We love you all dearly! God Bless.*

“ *Sending condolences to the family of a powerful, caring, working, singing and loving woman of God. My family came to Fayetteville, NC in 1972. Hazel was singing in the choir and I told my husband that I have seen that young lady at the conventions. She was energetic in singing and praising the Lord and welcoming my family to the church. She had a brilliant light shining all the time. Such a people person genuine saint. Praying for her children, siblings, family members, church family, neighbors and former co-workers. She let her light shine everywhere she went.*

“ it is with a sad heart that I express my condolence to your family at the loss of such a wonderful person, mother, aunt, grandmother, sister Hazel. I met Hazel while she was in junior high school. Her late father Eld. Corrie Anders was my pastor & our neighbor. Hazel was always very gifted in music (singing) & Praise & worship. She made you sing when you knew you couldn't. She was always very encouraging while she worked with the choir at old New Bethel.

When she decided to get married, I assisted her with her wedding. I was so delighted to that for her. She was like my little sister back in the day. I remember when she got her first teaching job as well as her principalship. She was an excellent teacher & principal.

I know that she fought a good fight & never allowed anything or anyone to separate her from the love of God. To her children, your mother was a wonderful person & mother as you well know, allow her memories to always be in your lives. We will miss her very much but we hope on day to see her again. Love & Prayers, Pastor Doris Taylor

Sis Hazel was such a jewel in the Bidy of Christ. She was so open and loving when I first got to Bethesda in 2013. She loved me and accepted me with open arms. She will be missed immensely. Love her very much. Evangelist Sheppard

“ One cherished memory is how Hazel would "snuggle" close to me while her mother, who was the assistant secretary of the CSC, was busy performing her duties, She was always such a sweet little girl.

I met Sis. Lucas at my first national conference. It was my first time ushering there and she never made me feel less than the others. Such an attractive sweet spirit and smile. I didn't know she was a school teacher but now I see it. her love and care for others shined. God bless the family with great comfort and peace. He's already blessed you with wonderful memories.
