“ Dear Deadwyler Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous”. May you have peace as you think about this beautiful hope for the future.

“ From day 1 of being around Mrs. Deadwyler she was great. You can say I caught on to her fast. She always wanted her makeup on. I always asked why and she said because I'm here. I liked her positivity plus that's how I hope to be every day when I'm older. Even when I switched shifts she was always happy to see me. I greeted her every shift I worked with a hug and told her I will check on her later. It will be different to walk in and not see her sitting in the front room all dolled up. She had a great spirit and will be missed.

“ *My Grandmother was an AMAZING, PHENOMENAL, and LOVING woman of God! She will be missed dearly by those that Loved and Appreciated her while she was here on this side of Heaven. She always said give her her flowers while she was alive and we did just that! Her light will never go dim because we will emulate her legacy and continue to carry her torch of love and exemplify the life she lived for Christ! Forever in our hearts, R.I.H Granny, MUUUAAHH!*
