“ Sending my sincere condolences to the Ford Family. I was introduced to Grandma Ford through Shameika and she has always been a loving and caring person to all of us “the friend crew”. It has been a privilege to know her and be welcome so many times in her home. I appreciate the many times she has asked about me and my family and even attended my wedding. She was a strong matriarch for her family and a clear example of God’s grace and mercy. May she rest her beautiful soul ❤️ .

“ Although Ms. Ford had been in Georgia for a long time, the New York in her was so prominent. I recognized it from my own mother. They met when Connie and I decided to take our mothers along on a trip to IKEA. It was a pleasure to know Ms. Ford. It made me very proud to find out that she really enjoyed the banana nut muffins with pecans that I would bake and bring over. Don’t worry Connie, I’ll keep them coming. My condolences to the family.

“ Ms. Helen became known to me through Shameika. We spoke on the phone occasionally, she, I and Connie. She had a spirit of genuine kindness. When I found out she was a Pecan lover I tried to make sure to send her some. It was always funny to hear she was hiding them from Connie and Mike. Rest easy Ms. Helen.
