“ Dear family,

*God bless you all during your time of grief. In all humility,*

*Out of the 8,400,000 species of life created by God, the human being has been the most blessed. The Saints since the beginning of time have said that secret to the life is understanding that can only be achieved at the level of soul.*

*In all scriptures ,it has been told that this valuable life,the human life is the embodiment of God himself. The human body is the temple of God. God lived in it as a Soul we came to know as Helen B.Lee. He dwelled within her with every kind of blessing,supply, and every kind of authority and love. We all got to experience that with her through various degrees. As part of the divine setup/process we must all begin/continue the ultimate journey back to our true home to life eternal at the level of Soul.*

*When our soul is found,automatically God & the kingdom of God become available to us.  
and our heavenly Father is always working behind the scenes to guide every one of us on this precious,sacred journey.*

*Baba S. Kita &  
Bradshaw Family*
