“ On my first trip to Georgia when I was 9 or 10 to meet my grandparents and the rest of the family for the first time, I was like wow they are giants, and my aunt were so beautiful and my uncles were so handsome. But I noticed they all looked alike...lol! I wanted to be with Aunt Helen all the time, because she was always on the go and loved going shopping. Each time I went to visit, I would have to spend some nights with Aunt Helen, and would be on the go again. Maybe that is where I get my road running from...hmmm!

There was a time where she and Aunt Shirley played softball and we would go to there games. They were good too. There was a lady on the opposing team that did not like the Parks girls. When Aunt Helen was running to home plate, the lady made her fall and made her knees bleed, Aunt Shirley was ready to pounce on the lady over her baby sister. Well, Sonja and I jumped out of the stands ready to fight as well...lol. Mind you, Sonja and I were not close to being in our teens getting ready to fight for our aunties...lol. So many ore memories!!!

I am going to miss seeing her beautiful face and her spicy demeanor, but one thing I do know is that she loved her family!!!
Rest well Aunt Helen until Jesus comes to get his children!

“ *Our dear Sister Helen will be greatly missed. God picked from the Parks Garden and he picked one of the best. Helen would always make sure all the kids of the Park's family recieve a gift at Christmas until they became a certain age and Shirley would prepare the meal. I been part of this family for 20 years and Helen was always the same. Always greet you with a Smile and June 23, 2000, she was the director of Our Wedding. BILL AND TAMMY. Everything was on points. To the rest of the family just remember all the special things she has done with us and for us. Shirley , Raymond, Betty, Florence and my husband Bill hold on and you will see her in the morning. My prayers are with all of you. Grace and Mercy. Tammy Knight- Parks*
