“ I remember when Ms. Pauling came into my classroom at the beginning of this school year. She introduced herself and asked if she could have a seat. She said she wasn't sure what she was supposed to be doing, but it was her first day, and she was here. I just laughed and welcomed her. She had such a beautiful spirit. Once she got acclimated, I remember passing her in the halls and we would exchange small talk and smiles. She will be missed.

“ Sending my sincere prayers to the family. I joined the Arizona's family in 2013 and Helena was on that welcome committee. She was very much a team player and was dedicated. She contributed so much to the rich history of Arizona's. She will be missed greatly. May God comfort and bring peace in this time of loss. Roberto Woods
