Worked with Henry at Rockwell/Boeing. He was a lot of fun to work with while at the same time taking his position in our group very serious! If he was your friend, you knew it. My condolences go to his family. I am so sorry for your loss. My heart is broken for your pain. God Bless you all. R. I. P. Mr Henry Maddox. You will be missed.

I worked with Henry at Rockwell. I've not seen him since those days, but I did think of him often and would laugh at some of the stuff he and I talked about. Rest In Peace.
