“ Uncle Henry,

I will remember you forever. You were a wonderful part of my life as a child growing up in Tignall and you were a wonderful part of my life as a grown man You had a nice warm genuine smile and you were a good man.

I look back and think of the times when I was a little boy. When I think of you, I also think about your dad Fred, your mother, your brothers Keele, Johnny, your sisters May Francis and Sarah.

My life and the lives of many of the Colemans was better because you were a part of it.

*You will be missed.

“ *Uncle Henry was a good man. I was blessed about a year and half ago to spend some time with him. We talked and broke bread together at my cousins Lloyd home. It was a beautiful occasion that I will cherish forever. We will miss Unc but we know that he’s in a better place where there’s no more pain nor discomfort. May peace and blessings be with our family during this transition.*
