“ Mahalia, I know that these past few days have been difficult. Know that you are not alone. God has placed you where you are right now, and he will guide you and your girls through this painful journey. In dealing with the loss of loved ones, I have learned that as long as you can share memories and precious stories of Herbert with family and friends, he lives on. May God continue to bless and keep you and the girls! Gods'Peace, Betty Wade
