“ BRO WEIR

*I REMEMBER BRO WEIR IN A SPECIAL WAY AS A GODLY CHRISTIAN MAN, KIND, HARD WORKING, CARING, SELFLESS, DIGNIFIED AND RESPECTFUL LEADER IN GOD'S CHURCH. HE WAS DISTINGUISHED, WELL DRESSED A MAN WHO WORE CLOTHES WELL. HIS CHARMING SMILE AND OVERALL DEPORTMENT ACCENTUATED HIS OUTGOING PERSONALITY.*

*HE WAS WELL DOMESTICATED, A GREAT COOK WHO MADE EVERYTHING MUCH TASTIER THAN ANTICIPATED. SHHH! HIS SIGNATURE TREAT WAS CORNMEAL PUDDING WITH A DIFFERENCE! YES MAN HE KNEW HIS WAY AROUND THE KITCHEN.*

*BRO WEIR POSSESSED A KEEN SENSE OF HUMOR, JOVIAL, COMICAL TO SAY THE LEAST. ONE COULD NOT BE IN HIS PRESENCE WITHOUT REMINISCING ON PLEASANT ENCOUNTERS , COUPLED WITH BELLY BURSTING , JAW DROPPING LAUGHTER.*

*HIS HOME ON THE HILLSIDE SERVED AS RESPITE FOR MANY FRIENDS AND PASSERSBY ALIKE. HE WAS A SWEET SOUL WHO SHARED AND CARED.*

*THE WORLD HAS MISSED A TALENTED ORGANIST/ PIANIST AND SINGER.*

*IT WAS MY DELIGHT TO WATCH HIM PLAY AS BOTH OF US WOULD HARMONIZE SONGS WHICH TOUCHED DEEP IN OUR SOULS LIKE... GOD CANNOT MAKE A MISTAKE, OH THERE'LL BE JOY WHEN THE WORK IS DONE , AND HOW GREAT THOU ART JUST TO LIST A FEW. WE HAD CHURCH WHEN I WAS AROUND HIM!*

*I AGREE THAT THE WORLD WILL NOT BE THE SAME WITHOUT HIM. HE MADE IT SPECIAL JUST BY BEING IN IT.*

*TO DEAR AUNTY MAE, ELMER AND KARENE, BRO WEIR IS ASLEEP AWAITING THE LIFE GIVER. GRIEVE NOT AS THOSE WHO HAVE NO HOPE . WEEPING MAY ENDURE FOR A NIGHT BUT JOY COMES IN THE MORNING.*

“ My heart is sadden, I didn't make it in to say goodbye but my presence was there with sis Weir and fam. I sat in my car and watched the service in tears. I grew up with Bro Weir and he was a father figure to so many of us teenagers at the Oracabessa SDA church. I remembered when he noticed that a male was interested in courting me he made it plain that NO MAN gets me before he had a good talk with him and when I was getting engaged he made sure to invite me and my fiancé to be for dinner at his home. As a young woman I had many many questions getting in to marriage and I always was grateful for his guidance. I loved and even in death love this giant of a man, his smile and encouragements, advise and even in reprimanding his character was so warm. He was genuinely a father to me. I will never forget at times he used to turn up at my house with sacks of plantains and banana and other luscious ground food from his farm. He loved the Clarke girls and was a elder to my mother but more so a true friend and I always admired their friendship. I know my mom will miss her Weiry. Kareen and Elma, thanks so much for sharing your dad with us and rest ashore that on that great getting up day when Jesus steps out on the clouds to call his children, dad will arise dust off the dirt on him and meet God in the air, yes for sure if faithful at the midnight cry we will be going home. Oh how I long for that day when I can look in the face of death and with a cunning victorious winner's smile shout “ O dutty death where is your sting now, dungeon grave where is your victory!” See on daddy Weiry, Until then.....🥹🥹🥹

“ Hello to the family, Mavis, Elmer, and Karene. Deepest condolences on the passing of brother Weir. He was a real encourager to me and in many ways like a father. In a way he always seemed smarter than my parents and I looked up to him for that. Love to visit his home and fellowship with his family. I will never forget brother Weir potato and cornmeal pudding. It was truly one of my teen age favorites going to his home. We loved you brother Weir may your soul rest in peace until the Lord returns.

“ My heart is heavy today, that I can't attend the service in person. I remember 20 years ago my son was just a child and a very picky eater. Bro Weir would sit and feed him for however long it takes. I was confident my son was well fed and happy when I go to work 8 or more hours a day. Bro Weir is a man of great patience. My son is in his twenties now and we still joke about returning the favor to Bro Weir now that he's getting up in age and might need him. Bro Weir you'll be surely missed. “ TRIBUTE TO BRO. HERNEL WEIR (Bro. Lenny)

Written by: Bro Jimmy & Sis Sheila Allen

St. Mary, Jamaica

*"Bro. Weir was a very loving person".*

*His family, church family - the Geddes Mountain Community and my husband and I can attest to same. He had a love for outdoors and we were very privileged to enjoy produce from his garden / farm. However, his first love was his love for God. He devoted precious hours in service to his King- Jesus Christ. Bro. Weir was a leader in many aspects of the church but one of his specialties was the music department. His melodious bass voice could be heard in worship at home and church as well. Bro. Lenny (as he was affectionately called) was NEVER late for any session at church - be it early morning or late evenings prayer meetings. His rich voice was like an alarm clock for deep sleepers.*

*As director / musician for the choir each rendition has to be par excellent. Therefore, when each choir member comes to rehearsal, he / she knows that the objective is PERFECTION. Bro. Lenny was NOT about deserving BUT SERVING. At a recently awarded ceremony I attended, colleagues were asked to describe themselves in only eight words and they did an exceptionally good job of it. However, being acquainted with Bro. Weir for many decades makes it difficult to come up with only eight objectives to describe him. Bro. Weir was spiritual, inspirational, incredibly gifted, generous, unique, gracious, caring, honest, dutiful, dedicated, caring, honest, dutiful, dedicated, faithful, skillful, passionate, courageous, sincere, responsible, appreciative, and committed. His personal mission was to HELP PEOPLE TO EXCEL*

*We were helped to realize that we do not grow or achieve by accident but by earnest efforts. When he performed many of his kind deeds, Bro. Weir did not think about whether the parties were deserving but only about serving.*

*Finally we all need to remember that in heaven with Jesus, there will be no more pain, no more death, no more tears, no goodbyes, loneliness or separation.*

*God's Tomorrow is better than our best Today, and i say Hallelujah.*

“ CENTRAL JAMAICA CONFERENCE OF SEVENTH DAY ADVENTISTS: PASTOR JOHNSON (President), ADMINISTRATORS, DEPARTMENTAL DIRECTORS, PASTORS, OFFICE STAFF, OTHER WORKERS AND MEMBERS

TO THE FAMILY OF THE LATE HERNELL HAMLIM WEIR

*How do you say goodbye to a father, friend, brother, uncle, husband? How do you?*

*Bro. Weir, as we called him, was one of those to each one who knew him.*

*During the era when St. Mary fell within the territory of Central Jamaica Conference of Seventh-day Adventists, Bro./Elder Hernell Hamlin Weir gave 30 years of dedicated, outstanding, and sacrificial service to the growth of the work in the parish of St. Mary, and in particular, in the Geddes Mountain and Oracabessa communities.*

*At the Geddes Mountain Church, he served for 10 years as an enthusiastic Choir Director, Musician, and Personal Ministries Leader. Under his leadership, as a Musician and Choir Director, the Geddes Mountain Church Choir became the envy of many congregation in and out of Seventh-day Adventist Circle. They were the ‘sort after’ choir for many church functions. As Personal Ministries Leader, He used every day was an opportunity to conduct Bible studies and to do visitations. On foot, he was seen knocking on gates visiting and sharing the word. He led by example and the church followed.*

*In 1979, the late Don Crowder conducted an eight weeks crusade in Oracabessa. That effort gave birth to the Oracabessa Church. Bro. Weir was asked to serve as the First, Head Elder, Musician, and Choir Director for this new congregation. This position he held for 20 years. With added vigour and enthusiasm, he walked tirelessly, from*

*Geddes Mountain to Oracabessa on Sabbaths, with his bag of “sugar cane and pudding” every Sunday and Wednesday night for Evangelistic and Prayer meetings. Hi faith would lead him on many other days on that journey up and down the mountains for other church-related meetings, church visitations and Bible studies.*

*His ministries had no age limits. He loved the youths and loved to be present in their meetings to give instructions, directions, or just to support. Many of these young people, are still actively serving the church today and they credit their love for God and the Church to the nurturing they received from Bro. Weir. He would rejoice when they were successful and would tearfully go in search of any that were missing. He was not afraid to cry openly and declare his desire to serve God. His love for music went beyond the piano and the church choir to his sermons. Many times, his messages would be punctuated with songs. Under his leadership the church grew tremendously.*

*Bro. Weir will not only be remembered for his handsome face, approachable persona, and pleasant countenance, but for:*

*His exemplary leadership*

*His commitment to the work of Christ*

*His love for people*

*His concern, care, and compassion for the less fortunate*

*He has answered the call of the Life Giver. Today we give God thanks for his faithful ministry. We take hope in the resurrection. Bro. Weir knew the Master who holds keys of death and hell. At the appropriate time He will open the graves not only for Bro. Weir, but for all who know Him.*

“ On behalf of the Pastor, and members of the Oracabessa S.D. A Church, please accept our sincere Condolences.

*It was Thomas Campbell who said "To live in the hearts of those that we leave behind is not to die." Therefore we are gathered here today in the memory of our dear brother Weir, so that together we may acknowledge and share both our joy in the gift that his life was to us, and the pain that his passing brings. In sharing the joy and the pain together today, may we lessen the pain and remember more clearly the joy. We are always saddened when death invades a family circle, and quite naturally so. We are saddened because of our loneliness, our fears and our uncertainties. However, as we remember our beloved Elder Hernell Weir, let us turn our fear into faith, our sorrow into joy, our loneliness into Divine companionship, and reach out to God, our Divine Comforter.*

*At times such as this we turn to the blessed words of Jesus. He said to His disciples, "let not your hearts be troubled. You believe in God, believe also in me. For in my Father's house are many mansions. If it were not so, I would have told you. I go to prepare a place for you and if I go and prepare a place for you, I will come again and receive you unto myself. Paul said, "For we know that if the earthly body of this tabernacle be dissolved, we have a building of God, a house not made with hands, eternal in the heavens. For to be absent from the body is to be present with the Lord."*

*We are going to move beyond the tears. We are going to move beyond our questions... because the Holy Spirit is here today to comfort and strengthen each and every heart! And He will continue to be with us as we continue to live for God. In the words of one writer: "The measure of a life is not in its duration but in its donation." When we think of Elder Weir's donation... what he contributed... what he invested... we have much to be thankful for! In 1978 the Oracabessa Seventh –day Adventist Church was organized after a six weeks Crusade conducted by the then Evangelist Don Crowder. Elder Weir left his home Church of Geddes Mountain and came to*

*Oracabessa to assume the position of the first Elder of this newly formed Church. A position he held until 1986. He was an elder par excellence. In those good old days there were no taxis, so on foot Elder Weir would travel to Oracabessa from Geddes Mountain at least three times per week, and sometimes four. With a smile on his face and a song on his heart he would gladly go on God's errands.*

*Brother Weir knew each and every member of his congregation by name. He shared excellent relationship with his members regardless if you were young or old. He knew each of us like a book, and was quick in picking up when a member was troubled or unhappy. He had the interest of everyone at heart. Brother Weir would always take his lunch to church, but before he sat down to eat, he would go from group to group or individual to individual to make sure everyone was eating. When he was satisfied he would sit down to eat. He enjoyed chatting with his members, as he tried to make sure their minds were stayed on heaven. Many Sabbaths he had to be monitored, to make sure he had his lunch, or he would spend the entire lunch period talking with anyone or everyone instead of eating. He enjoyed talking about his wife Miss May and his two children.*

*There were some sayings of brother Weir that we can never forget.*

- 1. Parents load the gun and the children pull the trigger.*
- 2. Brethren we must all work together, so that we can say we all kill the bear*

*There were many wonderful aspects to Elder Weir's life, and many ways that he touched our lives. Elder Weir would be the last person to leave the church compound on a Sabbath. He would stay there until the last person leaves. Then he made his way home. He will be remembered as a wonderful brother, a great leader, a generous person, and a true friend.*

*Because of his age, I was cognizant that it was possible he would go on before me but always dreading the news. Bro Weir (Weiry) was grandpa to my daughter (Brittney) and father to me.*

*Whenever you visited for whatever reason, he always made you feel so welcome, giving jokes and reminding us how we met but most importantly, it was his constant encouragement to love and serve the Lord, that I was attracted to. His love for the Lord was unwavering and the love he showed and the way he talked about his wife was unmatched.*

*To say I am angry because of his passing is an understatement, to know that this unforgiving disease, snatched him away from us but I am comforted in knowing that it is Well with his soul. I cannot fathom what it will be like to visit the family when we can again and not to see him there.*

*God in his infinite mercy knows why He sealed his faith and removed him from this sinful world on that 21st day of August 2020. So rest on Weiry!*

*To the family, I know it is painful but mourn not as those without hope...it would be too disappointing if on that Great Getting up day, he (Weiry) did not see us his love ones, therefore let us endeavor to make our calling and elections sure.*

*Thanks for the time shared in his life.*

“ How could I forget Bro Linney? He was the first organist in the Geddes Mountain SDA church, the one who led the choir alongside Ms Lel. He taught me to sing the song ‘Bless the house’ he took time from his personal time to make sure the songs were well known. This man always had a smile on his face and made fun with the young people. It has been years since last we met, but just knowing he was where we could ask about him was comforting. His memories will out live all of us. Yes he made good pudding and was willing to share each Sabbath. We lived almost side by side so I would always run to his house and sis May would share whatever was there, especially the pudding. Rest until God calls. We all hope to meet over yonder.

“ We deeply share this period of grief with you in the passing of a dear husband, father, brother, brother-in-law and uncle, Hernell Hamlin Weir. He loved the Lord with everything he knew, which was evidenced in the quality life he lived. A life well lived for Christ is only what will last, and certainly, brother Lennie has left footprints on the sands of time that thousands have followed, and are still passing on to generations.

*I have lost the best brother-in-law one could ever hope for, one who took pleasure in buoying up your spirit with the word of God, whenever life threw it's ugly darts at you. There was never a dull moment in his company. He always say, "Whatever you do, keep on keeping on". I will certainly miss him for his beautiful singing, (as every time I visit, we would sing his favorite hymns together); for his words of encouragement, cheer and hope in the blessed assurance that only Jesus gives.*

*To my dearly beloved sister, Mavis; my wonderful niece, Karene; nephew, Elmer; grand-nephew, Kristof, and nephew-in-law, Delano, I say: be of good cheer, because weeping endures only for a night, but joy comes in the morning. Bro Weir's work is completed and he's awaiting the resurrection, but we have to toil on a little longer. Let us work faithfully so that when our labor here is ended, we will meet him in the great beyond. "Gone from our presence, but never from our hearts".*

*Your family have touched so many of us in many different ways.  
We are closer to God as a result of your efforts.  
Elder Weir have been called to rest awhile from his labours.  
We share this solemn moment of grief with you - not hearing his voice,  
the sweet communication....  
He will come forth from the grave full of heavenly vigour. We look  
forward with you to the grand reunion in the sky.  
May Hod grant you peace as only He can.  
Blessed Love.  
Blessed Love.*

*He wished no one a last farewell,  
nor even said goodbye,  
He was gone before we knew it,  
and only God knows why.  
They say time heals all sorrow,  
and helps us to forget,  
But time so far only proves  
how much we miss him yet,  
God gives us strength to face it,  
and courage to bear the blow.  
In our hearts a memory will always be kept of the one we loved,  
and will never forget.  
Your baby sister, always

*In 1979 when the Oracabessa church started. Bro. Weir was our first Elder. I was the first AY leader. My memories of him are all pleasant and lasting. When I heard of his passing my mind immediately went back to the wonderful times we had. I saw him eating cane, with the left hand, the cane would leave strings and juice running down the side of his mouth. I recall pudding on Sabbaths, the lunches in 'Fellowship Hall' at the church. We all took our lunches and put them at the back of the church. When it was time for lunch the older women would do the sharing and you would get lunch. Not always what you brought because all the lunches were combined, but we all ate. We never went home after Divine Service.*

*Bible Class was always animated and exciting. It got even better when Bros. Jackson and Dixon join him. We studied the bible deeply. Bro. Weir was the 'Jack of all trades' in church. He lead out in many departments and as the church grew, help me.*

*The young people loved him. We respected him not just because he was our senior and our church leader, but because we knew he loved us. He was with us most of the time. In our meetings, and our socials. Bro. Weir was not afraid to cry publicly. He cried when were successful, when we sad, and he would with tears pray and seek the members who choose to leave the fold.*

*I recall his music-filled sermons. His famous statement. "Come and see, what do they come and see".*

*I see him at the end of Sabbath when he was satisfied that the day was done, threw is black bag with his books under his arm and head home. Taking with joy the long track back to Geddes Mountain.*

*Those of us who were youths at that time at the Oracabessa church were positively impacted by Bro. Weir. We remember him happily. We rejoice with the hope that if we all remain faithful we will meet in the grand and great reunion. Keep this hope family members.*

*It is with a heavy heart that I pen these words of how much Bro Weir meant to me and to the Cameron's family.*

*He was devoted, humble, true stalwart who shared his love for God to everyone he came in contact with. Growing up as a teenager he would always say, I am one of his daughters and would give me wise counsel on how to navigate life into adulthood. There were so many times he sat me down and counselled me and that is forever in my heart when I think of Bro Weir and who I am today.*

*He was everything to our family in so many ways, a brother, father, great neighbour who always give of himself not asking for anything in return.*

*Sis, Karene, Verton we are one family and have so many memories. Often we wonder why tears come into our eyes, and burdens seems to be much more than we can bear but God is standing near and sees our fallen tears for our dear Bro Lenny. Rest In Peace until we meet again. Gone but will never be forgotten.*

*Love always Marie*
