“ I worked with Hershel at GEO and it was truly a pleasure to have known him. He and I spent many a day on the road together moving inmates from one location to another and we really enjoyed each other's company. He was a true friend and someone I could always trust to have my back. I am so sorry for your loss and I want you to know that I am praying for God's comfort and peace for all of the family during this most difficult time!

Thanks for the memories Hershel! Mike Wood
