“ Lisa M. Flowers - To My Loving Family 🌸💋

*The Bible shows that our Loving Heavenly Father hates death; he views it as an enemy. (1 Corinthians 15:26 - “And the last enemy, death, is to be brought to nothing.”) He has a longing to conquer that enemy, to undo death by means of the resurrection. He yearns to bring back those who are in his memory and to see them live on earth again. John 5:28, 29. Until that time, we know that uncle Hilton is resting in peace, no longer suffering. He fought the fine fight to the end. We have our precious memories that we can reflect on!
Love you*

“ To the Flowers family,
It is these times you will go back to where nobody but you can remember the words and the deeds your father, your relative or maybe a dear friend instilled in you. Let all the love you have known Hilton Sr. For continue to shine through each of you. You have our condolences. A life well lived, a life well loved, ans a life will anchored.

"Time is not measured by the years you live. But by the deeds that you do, and the joy you give. And each day as it comes brings a chance to each one, to love love the fullest leaving nothing undone. That would brighten the life or lighten the load of some weary traveler lost on life's road. So what does it matter how long we may live. If as long as we live, we unselfishly give."

*Love always,
The Bass family, The Mc White family and the Wilson family.*
