“ Linda,
My heart is sad and I extend to you and your daughters my sincere condolence. Although our relationship goes back to Tuskegee, it was at Fort Benning where we really developed a true friendship. I miss those days frequently. Please know that your friends, especially those from that time are here for you. Also know that we loved Houston and we love you. My hope is that our Merciful Father will give you comfort and peace as you go forward. I will be praying for you.

With Love,

Luke

Mrs. Johnson and family, please know that you are in my prayers as I heard about the passing of Houston. We served in the Signal Corp training many years ago and I lost contact with Houston. We all served in Vietnam with the 1st Signal Brigade. Know that He is in heaven with the Lord and we will see him again forever! Take comfort in knowing Jesus will comfort and carry you through this transition.
