“ *In Memory of Mr Hugh
My name is Michael Adjmul
and I am bringing condolences from all the employees at the
Conyers Home Depot*

*To the family and friends of Mr Hugh
The pain that brought us together here today is one that will
permanently touch our hearts with the mere mention of the name Mr
Hugh.*

*I have been Mr Hugh's superior for 4 years, and
Mr Hugh was more than a coworker
Mr Hugh was a friend
Mr Hugh was a brother
He was family to us at Home Depot
He exemplified the meaning of what it is to deliver "great customer
service."*

*We will remember Mr Hugh as one who worked with passion,
integrity and high degree of motivation. By his death all the people
who knew him will miss a highly intelligent, vibrant individual, with a
rare friendliness and charm of personality.*

*Mr Hugh was a genuinely warm and wonderful individual—one we
will miss greatly.*

*Our sorrow is lessened only slightly with the comforting thought that
we had the privilege to know such a wonderful person.*

*The greatness of a man might be measured in the many things he
had done, but it is the kindheartedness of this man that speaks to
our very soul.*

“ *My Big brother Hughie was the apple of our family’s eyes. He was the only boy in the family and we all treated him very special. We all loved and doted on him and he loved every moment of it. He has always been a kind , giving and generous person. My big brother loves to eat. You say food and he was there. I love to feed my brother. I told him his Christmas cake was ready. He was there. I asked him are you hungry? he said “I can eat”and so he did. My heart is truly broken and my Big brother you will be missed. My only comfort is that God, Mom,Dad, and Tia are there to receive you.
Your Loving Sister

“ *My wife Natalie and I would like to express our sincere condolences to the entire Whylie family. Upon my arrival to Karlsruhe Germany and the 324th Signal Company, it was "Hugh B" (as was my nickname for him), that genuinely welcomed me, and took the time to patiently train me on tactical communications. We have always remained friends. He always proved his friendship to me and others, by attending and supporting several events here in Augusta, for me and other military co-workers from Karlsruhe Germany. We pray that God will give your family strength and comfort, and that your soul will be at peace. Rest Well "Hugh B!"*

*It was my distinct honor to serve with SFC Hugh Barrington Whylie as his company commander in 324.
I am deeply saddened to think such a great man has left us so early. He is remembered for his calm in any storm, the quiet gentleness of his demeanor and the professionalism that he displayed 24/7/365.
If you were his friend, you were lucky to know him and you knew it. Hold the fort, until we meet again.*
