Uncle Hugh was so fascinated, he asked to see it, placed it on his wrist, and I didn't think I'd get it back 😎

“ My favorite memory of Uncle Hugh was at his 100 birthday celebration. There were many family members and friends in attendance to celebrate his life’s accomplishments. However, after dinner Uncle Hugh walked over to our table and said to me, “I remember you!” This dear man being honored by so many family and friends made a point to come to my table and let me know he remembered me. I never felt more special. The kindness Uncle Hugh showed that night highlights the love and kindness of this family. I’m bless you have known him and to be a part of this family.
