“ We want to share our condolences with the family. There's a sense of helplessness when someone we love dies. Many wonder how one get through this time. Take time to reflect on the good times you shared with your love one. Prayer is extremely valuable at this time.

“ To the Palimore Family: My name is Linda Lee My deepest sympathy goes out to your family. Know that you are in my thoughts and prayers during this difficult time. Hyratt and I met in 1978 while both in college and he was the love of my life. Your life Hraytt was a blessing and your memory a treasure. There are no goodbyes for us, wherever you are you will always be in my heart. I am so glad that you got to know your son, he reminds me so much of you and it is something that I prayed to God for. So until we meet again may God hold you in the palm of his hand.

“ To the Palimore Family: My name is Caviah Jones-Goins and I met Hyratt in 1978 in Milwaukee Wisconsin. He was a very kind man, someone I as a younger person looked up to. He was quiet and shy, but very focused on his educational goals. He was a gentleman, a sharp dresser and someone who strived for excellence. I had not seen him since he left Milwaukee to go finish college in Berkeley CA - but indirectly I would inquire about him and how he was doing through his son/my nephew Jamar.

Hyratt had a different type of name, because he was different - very unique and he stood out from the crowd. He was a very hard worker and was dedicated to accomplishing his goals. I am deeply saddened by his sudden passing and just want the family to know that we are praying for you all. I pray that the Lord will comfort and strengthen you all during this difficult time. Hyratt will be deeply missed, but will never be forgotten, because to us he was also family.

May the Lord continue to bless and keep you in the days ahead.

*Sincerely,
Caviah L. Jones-Goins*
