Sometimes goodbye means I love you,
Sometimes it's see you soon,
Sometimes it's I don't want to leave you but I've been
Called away by the moon.

The stars shine a little brighter now,
With me up by their side,
I know life feels darker,
But if you ever miss me just look up at the sky.

I will never leave you,
I live on in all your hearts,
And through you I will forever,
Right by your side,
Heart to heart.

Poem from the family

“ I worked with Ida at DDS and she was always so much fun. A fashionista who worked hard taking care of her clients. I admired her because of her integrity and patience. She would tell it like it is and spared no details to any difficult situation. She loved her family and cherished her time with them. And her co-workers who had worked with her for many more years than me, loved her deeply. Since we retired, I missed seeing her regularly at work. Now I will miss her even more.
