“ I want Sister Stitts's family to know how much I enjoyed visiting her. My visit was to offer some scriptural encouragement to her, but I was encouraged by her. On many occasions, if we asked what we could do for her, she wanted to be at the meetings. Her example reminded me of another Godly woman in the Bible name Anna in Luke 2:37. It says, " she was never missing from the temple." I cherish Ida Stitts's example as a Godly Woman who never allowed difficult circumstances to halt her service to God.

“ *My heart aches on hearing that Ida is gone, and aches for her family who are left to mourn her. I hope she knew that the long thoughtful letters that she sent me during my 1st year away at college were part of what helped me to not feel so homesick. I still hold those letters today after over 30 years. Germaine, I hope that there is some comfort in knowing that her kindness still lives on. Love Evette.*
