

## Ileen Millet Reid-Waysome

August 19, 1964 - November 24, 2023

It is with heavy hearts and profound sorrow that we announce the passing of our beloved Ileen Reid-Waysome, a cherished daughter, sister, aunt, and friend, who departed this world on November 24, 2023.

Born on August 19, 1964, in the beautiful island of Jamaica, Ileen was born to Allan and Dorothy Reid. Her early years in Clarendon were marked by the bonds she forged with her siblings and lifelong friends, creating a tapestry of cherished memories. From the vibrant streets of Jamaica she navigated her way through life, leaving a trail of warmth and love.

In 1992, Ileen embarked on a new chapter, migrating to the United States and weaving the fabric of her existence through Miami, Boston, and ultimately finding solace in Decatur, Georgia. Ileen's infectious laughter and unwavering positivity illuminated the lives of all fortunate enough to know her. Her sense of style was a testament to her vibrant spirit, but it was her role as the family's heartstring, connecting each member with love and care, that defined her.

Ileen's generosity knew no bounds, and her joy stemmed from the profound satisfaction of helping those in need. Her selflessness painted a portrait of compassion that will forever linger in the hearts of those touched by her kindness.

Left to cherish her memory are her aunt, Ivy, siblings Patricia, Clive, Dornett, Pearlette, Tasha, Gilbert, Donovan, Michael, and Frank as well as nieces, nephews, cousins and a vast circle of friends.

The void left by Ileen's departure is immeasurable, and the echo of her infectious laugh and words of encouragement will resonate eternally in the hearts of all who were blessed to know her. As we grieve, let us also celebrate the beautiful tapestry of love she wove into our lives, forever grateful for the indelible mark she left on each of us.

“ *Ileen will be greatly missed by all who were blessed to know her. Her presence brought with it a sense of joy in life in spite of the health difficulties she encountered. Although we knew Ileen for a relatively short time, seven months, she had become a close friend. She was a beautiful soul. Her smile, loud happy voice and conversation will be missed by myself and my wife who she helped care for. Our sincere condolences to her family.*
