“ *India,
You were loved the moment I found out you had been conceived.
You're still loved now, forever and always. I was so looking forward
to seeing you grow and play with your cousin Harlynn. But God had
other plans for you and He knows best. I believe everyone has a
purpose in life and I feel yours were to draw the families closer
together because now we all have at least one thing in common...
and that's you. You're our little angel. Watch over us!!*

*Love,
Your Great Great Aunt Valerie*

“ *To my Beautiful Great Niece.. I loved you before I even had the
chance to lay eyes on you. My heart hurts, but we know God makes
no mistake, and to be absent from the body is to be present with the
Lord. I will always and forever Love you!!*
