“ *Ms. Michelle was an amazing woman.. She and her staff took care of my daughter from the age of 6 weeks till she was 4.. She knew I was so nervous to leave her at such a young age but she said "Pearl we are going to take of that baby" and that's exactly what she did. She loved on her, she loved on me and made us feel like family. I will forever be grateful to have known my birthday twin.. GOD bless you Ms. Michelle-Love Pearl and Avery*

“ *What a Smile*

“Michelle, your personality precedes you. This is a good thing. As you enter into a room your smile lights it up.”

I did not get to know Michelle through conversation. I just got to know her in passing. She always exhibited a positive attitude and that smile that had to come from the Lord. Her beautiful smile is the smile of an overcomer.

People say “that the good die young,” she was also faithful and kind. Michelle is gone but will never be forgotten, not even by those who missed the opportunity to sit and chat or sing and laugh with her.

She will always be in our hearts and minds.

“Michelle has always supported me as Sunday school superintendent. She was the Sunday school secretary and I would always call her about the Sunday school books. I loved sister Michelle. I remembered her comforting words when I spoke to her some days after my wife, Teresa Inette Lee-Momon, passed in February.

My daughter sends her love and heart felt condolences to the entire family and reflected on when Michelle approached her at her mother's homegoing to reveal to her that they shared the same name.

Much love, sister Bernice, from Anna and me. Hold on and we hope to speak to you soon.

“I am so happy that I went to Official Day during the Worker's Meeting 2020, I had the pleasure of talking with Michelle and letting her know how much I have been missing her. God bless and be with Mother Robinson. Earth has no sorrow that heaven can not heal. I love you, my sister.
