“ I met Inman during our freshmen year at Chicago Vocational High School (C.V.S.). We remained friends post High School. He was such a caring man and treated me with kindness everytime I saw or spoke to him. He was so full of life and could make me laugh! I was looking forward to seeing him at our reunion this year.

My sincere condolences to the family! May God bless you with comfort and fond memories of Inman. He was loved and will be truly missed.

“ Inman! I met in my freshman year at C.V.S. . We spent lunch learning about each other's family. He was a kind and warm hearted guy, he always wanted to do the right thing. As years past and when we did see each other again, I knew he was still that kind and warm person. Inman, you are missed. I shall keep our memories always. Rest in peace and I pray for your family strength. Love you Gerri

I had the opportunity to meet and work with Inman at General Motors back in the 80's. He was smart, kind and had a great sense of humor. He was the epitome of a strong black man. Inman loved life and he especially loved his children and friends. . My prayers and sympathy go out to his family especially to his children.
