“ On behalf of the Society of Air Force Nurses, please know we are also mourning with you the loss of our friend and colleague, Captain Iona Ladson. She was a remarkable woman who made a difference in the lives of so many in her journey through life. As a long time and active member of the Society, we will be making a donation in her honor and memory. Iona will most definitely be missed, and she will certainly not be forgotten by the community of Air Force nurses, Linda J. Stierle, Brigadier General, United States Air Force (Retired)

Iona will be missed by so many in the Air Force Nurse Corps, past and present. She was a wonderful nurse and strong military officer for many to emulate. I always enjoyed talking with Iona about her military nursing experiences. She had so much to share and teach us. My thoughts and prayers are with her family at this time of loss.
