“ To my mama it's something about that name, above all names, my heart, my love, my friend she was the epitome of a mother that loved her children, that nurtured our every being, she loved us collectively and individually, I was that child they needed all her extra love, when my siblings needed a cup of her I needed a cup and a half, my mama was my listener , she carried my pain as if it was hers, she was my advisor, my counselor, my teacher she was my every letter in the alphabet would describe what she meant to me, words right now can describe the pain I'm experiencing from her death, I trust God for strength, mercy, grace and favor to guide me through this storm, mama thank you for loving me, thank you, I will forever love you❤️

“ *Grandna, we had a special grandmother- granddaughter bond that was unbreakable. You always knew the right things to say to comfort me, uplift me, encourage me, make me laugh. I will miss our weekly chats! Sometimes we would be on the phone for hours!! Lol. If I didn't answer on the 1st call you would always leave me a voice mail, Charity it's your grandnana, call me back. The last voice mail msg you left me was on Christmas Day wanting to wish me and the kids a Merry Christmas before we saw you later that evening. At our Christmas Dinner, I sat by you the entire time not knowing that would be the last time I got to be in your presence and feeling your warm embrace. I will forever hold the special moment in my heart and will forever keep the voice-mail that you left for me. The sound of your voice has brought tears to me because I will never hear your sweet voice again, but comfort in knowing how much you loved me. You were so proud of me and I know that I made you proud! Grandna, thank you for everything you instilled in me and being the best Grandna to me I could have ever asked for! You gave me so much love, that I still feel it now! You will forever live in my heart and spirit. I love you so much my Grandnana!!!! It's hard to let you go, I needed you here with me longer, but you are now resting so peacefully with the good Lord!*

“ *Deepest sympathy to the family, Irene was a wonderful and marvelous woman of God, she is the Grandmother to my son Dominique and will missed by all. Talked to her after her last birthday, we talked about everything, not realizing it might be our last conversation. Rest In Peace, woman of God*
