“ It was my pleasure to work with Mrs. Lawson in the DeKalb County School system. She was a great employee and was great in encouraging her students. A real lady who will be missed by many whose life she touched.

“ My family and I am deeply saddened by the transition of Dr. Lawson. She was my son, Jermaine Barber and my daughter-in-law, Justice's Guidance Counselor at Stephenson High School. And to show you the impact she had on their lives (and all of her students), ten (10) years later (after graduation) they invited her as a special guest to their wedding. At church she would always check on their progress, ask about their daughter Quinn. She was always so proud of them. May she Rest In Peace.

“Dr. Lawson was the epitome of elegance, energy, and education. She was much loved by her students and co-workers. She cooperated with and promoted the system's efforts to help students learn, live, and work. From reading others' comments, I can tell that in retirement she continued serving others in her elegant ways.

“ To the Family: My sincere prayers and condolences are with you. I joined GFCBC under Minister Irene Lawson. Of course, this was before she had accepted her calling to the ministry. Minister Lawson was teaching Bible Study and at the closing of the session I yielded out that I desired to join church. I had many opportunities to sit at her feet to hear the word of God. I will remember her smile and her love for others. Sister BJ
