“ Irma, was truly a wonderful person, that befriended me while we both were working at Coppersmirh. I was in the Los Angeles office and we spoke on the phone always. One day she invited me to visit Atlanta and I decided to go. I had a great time and went back on several occasions. I was invited to a surprise birthday party for Irma. She didn't know i was coming and it was a memorable time. I am happy to have known Irma because she had a heart of gold. Rest in peace.
