“ Family,

Frank and I wish we could be there to offer our love, hold your hand and comfort all of you at this time. Irvin would want you to remember all the fun we had together in his home and every time we were together.

He is in God's hand now and asking him for some soul food. God will not only grant his wish but offer him a place in his Kingdom.

He was loved by my family and we will always remember him.

To my Sister Ruth, we will help you get through this time of grief.

Remember, You gave it all you had.

Love,

Frank and Betty Lopez

“ *My Dad, Tony DiVito, worked with Mr. White at Scott Paper and Irving was his dear friend. He told us so many wonderful stories of their time working together and of their friendship. Mr. White was so kind to reach out to my mom when my Dad passed. She still has the beautiful plant he sent to our family. Keeping you in our thoughts and prayers. The DiVito family*
