“ My grandma, my first love, my mother, my teacher. You hold so many names but the one i love the best, my guardian angel. I wish i could have made you proud before you transitioned, i wish you lived long enough to meet my children/your grandchildren. I wish i could've talked to you more over the years before you passed.. it's so many things i wish for with you. My wishful thinking leads me to believe that you're with my big brother, your husband, and your mom & dad. Enjoying a life of love elsewhere, but where you are doesn't matter. In my head you're still with me, everyday, everywhere i go. always on my mind, forever in my heart. my grandma, my angel, my savior, my family. watch over us. every now & then send me a red bird to blow kisses at, somehow i know those kisses make it back to you 💔

“ Cherished memories that I will always hold dear to my heart, are only the smallest of Blessings gifted to me by The late Isabell Mitchell. Undoubtedly the saving Grace in my life, and so many lives... Beloved Grandmother of mine, you are remembered, for Always in my heart. Thank you, could not ever express the weight of gratitude nor admiration I have for you... though in times my weary heart could not express. I pray that we here living, continue your Legacy with love, compassion, understanding, forgiveness. Please rest now, in Divine Peace and acceptance from our Heavenly Father; I love you and I'm so grateful to you for everything Grandma.

“ *Our hearts are broken, she was surely the angel God put in our lives. I can't imagine what our lives would be had not that angel touched us... rest well, Bell...*
