“ I don't know where to begin, Zay was like a son to me and a true friend to my daughter Skye. There has not been a day that has gone by since your passing that we do not think about you and mention you. Zay will forever be in our memories and hearts. Zay was a true definition of a mediator between friends and had the calmest spirit whenever you was around him. All Zay had to say to me was what you cooking Ms. Carla and I'll say what you wanna eat? And it was done. It was an honor for him to view my home as a second home for him to be himself and just relax and laugh with us. Zay will be truly missed but never forgotten.
