“ I was very sad to hear that my Uncle Isaiah had passed away. Out of all my uncles, Uncle Isaiah were the one that I was closest to. I was a young girl in Alabama when I saw Uncle Isaiah and he always had a smile and made me laugh. When I moved away and we both went our separate ways, my mother, his oldest sister, Sarah Phillips always talked about him and although I did not see him as much, I only heard good things about him. He was always there for my mother up until she passed away in 2016. I will always be grateful and thankful that Uncle Isaiah were there for my mother as her health declined and now the two of them can be together again. May you both RIP.
