“ *Isiah and I worked at the same doctors office Years ago and he always called me his little sister we shared a birthday in the month of July. His BD is 07/17 and my BD is 07/14. I would from time to time get a notification on face book around or on my BD from Isiah saying Happy Birthday little sis. I thought is was funny since I am older than him lol. I am going to miss him especially around my BD. And I am going to miss the BD Messages from my Little Bro. REST IN HEAVEN LITTLE BRO!!!*

And to His family You have my deepest condolences and I pray to God to protect you all. Just know his is always in you all heart and that he watches over you all.

“ *Isiah!, Bro!!...Over the years working together, we became family. You were like my big brother. We were always there for each other when we needed each other. Carpooling when one of us needed a ride to work. Laughing and talking about what was going on in each others life! Always was respectful and a gentleman. I still can't believe that you are gone. It breaks my heart! You will definitely be missed! Love you bro! Keep an eye on us down here!*

“ *You have changed my life for the better. I can't imagine living my life without you! You were taken from us way too soon! Thank you for the time we shared, thank you for loving me. Showing me the defintion of REAL LOVE. Showing me how to be loved by a real man. Thank you for being a devoted Father, son, friend, and lover. I will NEVER forget you, not for a second, a minute, or a hour. A piece of me went with you. You will always be apart of me...I love you!*
