“ Ivan my friend, you were such an amazing beautiful person. I'm going to miss you and miss our Monday Walking Dead Talks, our kitchen and house renovation talks but mostly your beautiful soul. I wish we hadn't lost you so soon because this world needs more kind hearted people like you. We are all heart broken for your loss. May God help your family heal and ease the pain they feel from your departure. We'll catch up again in heaven one day.

“ Working with Ivan was such a pleasure. Not only was he always so willing to help but he was also such a kind soul with the brightest smile! He always had a way of noticing the little things and making you feel like he really cared. I remember one day I came in with a new haircut, he made a point to tell me he liked it and that it reminded him of his niece. He spoke so highly of his family expressing a lot of gratitude for their relationship. Ivan will be missed tremendously by his Tesla family. Ivan may you rest in paradise.

“ I didn't know Ivan for very long, but working with him was a pleasure. In such a short time, I already knew he was a genuine person, and he was always willing to help. You will be missed, bro! I pray for the family.

“ I'm going to miss my brother so much! He was loving, caring, handy, humorous, and handsome. He brighten up the room and was always nice to everyone he met. I know he is watching over us. I feel him when I need him and there are times when he knows that I need to just get it out. I cry so hard and long. After I am done, I can hear him say, "You feel better now, Keelay? Ok let's go. You have stuff to do." My brother was always here for me on Earth and I know he will always be here for me in the spiritual form. I'm praying that the Lord help me be strong, at times, it seems I can't put one foot in front of the other. Ivan I am going to miss you so much. I love you. You Big Little sister, Keelay.
