“ I’ve known JT since our early days in school. JT was always a quiet person with a big heart who loved to laugh. He was the driver (since he was the only one with a car) for several guys during our high school days. JT I thank you for making my Mom laugh and for being a very good friend. May you rest in peace and I will see you again on that celestial shore. To God be the Glory.

“ My brother was a jovial person who could light up a room. The memories and laughter that we shared of our father will live on in my heart. May your spirit soar!!!
