“ *My prayers to the family especially to my adopted sister Shymeca. I remember how your mom had treated me like I was her other child. Ms. Hendrix has always been a loving person that would open her heart to anyone. And she raised a great daughter. She will missed but not forgotten.*

“ *My sincere condolences to the family and friends of Ms. Jackqueline Hendrix. Although I did not know your loved one personally, in reading the words of the tributes to her, you can see what a loving, caring and dedicated person she was. Her loss will be felt even greater and by so many others because of this. I truly hope in the days ahead, besides the memories you have, that you will also gain comfort from the words of our Heavenly Father . He is aware of your pain and is here to comfort you (2 Corinthians 1:3,4). He also holds out wonderful promises concerning our deceased ones at Isaiah 33:24, John 5:28,29 and Revelation 21:3,4. To be assured by our Creator, Jehovah, that we will be able to see and welcome back our departed ones, such as Jackqueline, can give you the needed strength to continue on. I pray that his words as well as the loving support of family and friends will sustain you during this difficult time.*

“ Shymeca,
Allow us to extend our deepest condolences on the loss of your mother. Losing a parent is one of the biggest losses that can be suffered by anyone. May you find God's presence with you as you journey through the time of grief.

*Clementene & Sonya,
Words do little to express how it feels to lose someone you love. I know that you miss your sister, but we hope that the memories of her will help you through the times to come. Just know that you are in our thoughts and in our prayers at this sad time.*

*You all have our deepest sympathy.
