“ I'm sorry to hear that your loved one fell asleep in death and I offer sincere condolences to the family. God has promised that "The hour is coming when all those in the memorial tombs will hear Jesus' voice and come out." (John 5:28, 29). Keep this loving promise in mind at this time of sadness and in the difficult days ahead and "Draw close to God (in prayer) and he will draw close to you." (James 4:8)
