“ Dearest Jackie,
Your friendship was a gift that gave me peace and love. Not only did it give me peace and love, but it also gave me sisterhood. You were there for me at my toughest times and I thank you for that. God gave you to me for a reason, and although you may have departed from this world, your spirit will live on. I love you forever, sister.❤️
Love,
Your sister Rosetta Thomas-Davis

Jackie I will always remember you as one of my roommates at Stillman College. We met at Stillman September of 1960. I was that country girl from Beaumont Texas. I had never been that far away from home but once I got to Stillman it was no turning back. We had some fun times may you Rest In Peace. Carolyn Newton Leggington

When my family moved to Georgia, Jackie opened her home without knowing any of us. We were friends of friends and that was enough for Jackie. Her kind spirit and sweet smile will always be a bright part of my life in Georgia. I will never forget you.

My thoughts and prayers are extended to Jackie's family. My fondest memories are from the time we taught in Newton County together. It was so wonderful to reconnect in DeKalb Co after many years. Jackie was always so sweet and soft spoken. She will really be missed.

Wow! My sweet angel I see you have gone to heaven. I went looking for you and today I just thought to look you up. The last I heard from you was around 2017. You were my 2nd grade teacher at Palmer Stone. I will never forget the impact you made on my life taking me home on the weekends and summers with you. You followed me all through high school. Such a beautiful soul inside and out. I will always be your little girl. I'm the woman I am today because of you. The love you poured into me let me know angels are real. Thank you for being what I needed. I will forever cherish our bond.
